

Occupational Therapy TOOLKIT

Terms, Conditions and Disclaimers Agreement

Welcome to the Occupational Therapy Toolkit. Please read the following carefully before using the website and the material contained on the website, including the Occupational Therapy Toolkit that is available for purchase.

Your use and continued use of this website and all materials is subject to the following terms of use and all applicable laws. By using this site and all materials, you accept, without limitation or qualification, these terms and any modifications of these terms.

The information contained in the Occupational Therapy Toolkit is intended as educational resources for use by occupational therapists and occupational therapy assistants. The Materials are not intended as a substitute for appropriate clinical decision-making. The Materials are not intended to convey medical, healthcare or other advice for any specific individual. The occupational therapist and/or occupational therapist assistant is responsible for providing appropriate therapy based on an individual client's needs and goals under the direction of a physician.

The ideas expressed are by no means the only approach to a given diagnosis; it is neither complete nor exhaustive and does not cover all disabilities, diseases, ailments, physical conditions or their management or treatment.

The Materials are not intended as medical advice for the public. Should you have any healthcare or disability questions or concerns, please consult a physician for an appropriate referral to Occupational Therapy.

No Warranties

The Materials are believed to be accurate and timely. There is no warranty or guarantee concerning the accuracy or reliability of the content at this site, Occupational Therapy Toolkit or other sites to which we link.

This website and the information, and other material available on or accessible from this website are provided on an "as is" and "as available" basis without warranties of any kind, expressed or implied, including but not limited to warranties of title, non-infringement or implied warranties of merchantability or fitness for a particular purpose. You agree that your use the web site, the content and the Occupational Therapy Toolkit is at your own risk. It is your responsibility to evaluate the accuracy, completeness or usefulness of such content, information and materials.
